ABOUT ME

As a dedicated Plastic & Reconstructive Surgeon, I specialize in aesthetic and reconstructive surgery of the face, breast, and body. My passion lies in ensuring high patient satisfaction through meticulous surgical skills and a warm, engaging rapport with my patients. I am committed to advancing the art and science of plastic surgery, and I am currently seeking a position within a collaborative, academically oriented private practice where I can contribute to and thrive in a dynamic environment.

WORK EXPERIENCE

PRINCETON PLASTIC SURGEONS
Princeton, NJ
Jul 2024 - Present

Plastic & Reconstructive Surgeon

- Expertise in advanced aesthetic and reconstructive surgeries such as facelifts, blepharoplasties, breast augmentations, liposuction, and comprehensive body contouring.
- Proficient in cutting-edge laser technologies and energy-based devices for optimal patient outcomes.
- Extensive expertise in medical weight loss management utilizing innovative treatments like Semaglutide and Tirzepatide.
- Expert in non-surgical rejuvenation techniques using injectables for facial enhancement.
- Adept in social media content creation and video editing, utilizing tools like CapCut, Procreate, and Canva apps.
- Proficient in managing the full spectrum of preoperative and postoperative care within a bustling private practice setting.
